SPECIAL INSTRUCTIONS

GOODS RECEIVED BY:

DATE

Seller hereby acknowledges that the parts and/or materials being shipped under this order are intended for use under Boeing's Federal Aviation Administration (FAA) issued Production Certificate 700. Boeing requires that the provisions/requirements set forth above be included in Seller's direct supply contracts as well as the obligation that they be flowed to the applicable sub-tier supply chain.

QRP Inc.
Certificate of Compliance

Subject to the provisions in our standard Terms and Conditions of Sale, we hereby confirm that with respect to the products supplied in this order, the products conform to the indicated drawings and specifications, if and to the extent that we previously agreed in writing to each applicable drawing and/or specification.

It is further certified that the material described above has been inspected and tested as stated or required in these specific drawings, that such specimens or samples as have been tested were taken from the lot described and that the material meets all applicable requirements.

Passivation, if required, was performed in accordance with ASM 2700 Method 2. Passivation was verified using the Koslow Passivation Tester 2026 and a reading of 0 to -400 was obtained. This range is correct for 17-4ph and 300 series Stainless Steel.

Appropriate test reports and/or certificates are on file for your review and verification upon request. Equipment containing mercury or mercury compounds has not been used for fabrication, assembly, packaging or installation of parts or assemblies on this order.
